

New York State Motor Truck Association
WESTERN REGION
SAFETY/MAINTENANCE WORKSHOP/FLEET NIGHT

Thursday October 23rd

Hearthstone Manor
333 Dick Road
Depew, New York

With high fuel and maintenance expense along with ever-increasing government rules and regulations, it has become more difficult to maintain a profitable trucking operation. This workshop will provide helpful information that will address these issues. Swede Oun, O&K Truck Repairs, will cover maintenance related issues, and a panel of government officials will cover rules & regulations including roadside inspections 2010, Hazmat, Safestat scores, safety audits and the court system and trucking. Have your questions ready for this knowledgeable panel. Vendors will have displays and will be available to answer your questions. This workshop is geared for company owners/executives, safety and maintenance specialists and any key personnel.
