

NYS Motor Truck Association

"Call On Albany"

MARCH 8, 2010
9:00 a.m.
Albany, NY

Our Strength is in our Numbers: Join the NYSMTA Delegation March 8!

The day starts at 9:00 a.m. with briefings on hot topics such as health care and the NYS Budget, courtesy of "Small Business Day."

Following the briefings, NYSMTA members will meet to discuss specific issues facing the trucking industry for 2010. All attendees will be provided with kits including NYSMTA position papers, New York State Truck Facts, and Trucking Industry Image Items. **NYSMTA will also have the American Trucking Associations Image Trailer parked at the Empire State Plaza.**

Lunch will be provided to the NYSMTA delegation, before members head out for meetings with their legislators to discuss our issues. Additionally, **legislators will be encouraged to visit the ATA trailer to hear from professional drivers and learn more about the trucking industry.**

Some of the issues we will be addressing this year include:

- Truck Route Restrictions: Proposed Regulations
- Divisible Load Permits: Creation of Unified Permit Program
- Share-The-Road: Require as Part of Curriculum for Driver's Education Classes
- Auxiliary Power Unit Exemption & Idling Restriction Amendments

Our strength is in our numbers! If the 2010 legislative session is to be successful your voices must be heard. If you are interested in ensuring a better business environment for trucking in New York, we need you to actively participate in this event! Let's show the Legislature and the Governor our strength!
